# JUST LIKE MOM AND DAD

Shot before an energetic studio audience, Just Like Mom and Dad is a hilarious and fun-filled game show that celebrates and rewards families for how well they know each other. Each episode features three teams of parent-kid pairs that are all trying to accumulate the most points after three rounds of family fun.

The first two rounds include asking and answering personal questions that puts the family dynamic to the test. A third round features the infamous "Bake Off" and "Taste Test" where the kids whip up a dish (with some surprise ingredients!) they hope their parents will love. The parents must taste these culinary creations and guess which dish was prepared by their child. At the end of all three rounds, the team that has earned the most points gets to spin the Just Like Mom & Dad Prize Wheel!
