

ALL-ROUND CHAMPION

ALL-ROUND CHAMPION

The ultimate sports competition series where instead of competing in their own sport, future Olympians must master all their competitor's events. Can a karate champ master kite surfing, can a decorated snowboarder conquer show-jumping on horseback? Hosted by Olympian Perdita Felicien and trained by world-renowned sports stars and Olympians, in this non-elimination competition, each competitor is scored on skill, sportsmanship and progress after each challenge. It's an emotional journey of winning, losing, and building relationships with peers, and in the end, only one hardcore athlete will be crowned the All-Round Champion.

The just-launched 5th season (10 x 60') features an all para-athlete cast who let nothing stand in the way of their pursuit of excellence as they step outside their comfort zones to compete in all their rivals' sports.
