

DRIVING ME CRAZY

DRIVING ME CRAZY

Every action packed episode of *Driving Me Crazy* features two teams composed of a teen driver, who has never driven before, and a parent who is tasked with teaching them the rules of the road. Each team must work together to master a series of basic and advanced driving skills on a number of fun-fueled courses filled with crazy obstacles including Styrofoam walls and teeter-totters.

After several hours of trial and error, the teens put their new skills to the ultimate driving test. Pass the test and they win the coveted keys to the family car. Fail, and it's back to the carpool lane.
