# LADY ADA'S SECRET SOCIETY

A modern coming-of-age comedy about a secret computer club at a hyper-traditional all-girls boarding school where computers, smartphones, and other modern necessities are banned. Sent there to be turned into 'proper young ladies', best-friends Ava, Tina, Rebelle and Frances rebel by executing clever pranks, using technology they either invent or hack while staying one step ahead of their headmistress who wields enormous power over their futures. As they head towards a huge year-end prank the girls must navigate friendships, betrayals, trolls, romances, and (eek!) school dances with the boys from neighbouring McCall Hall.
