

OPIE'S HOME™

OPIE'S HOME

Opie's Home is a delightful new preschool comedy that explores the fun of family life from a preschool point of view, following 4-year-old Opie as he plays, explores and discovers new things in and around his home with his family and neighbourhood friends.

Featuring relatable stories that are familiar to preschoolers and their parents, *Opie's Home* celebrates the important relationships, milestones and day-to-day interactions that preschoolers experience at home. Whether it's a mundane task like brushing his teeth, or a special occasion like making a meal for his parents, Opie brings a dose of laughter to any situation and shares the many important life lessons he learns along the way.

A spin-off to popular series *Hi Opie!*, *Opie's Home* invites viewers to see another part of Opie's world, helping kids to be successful both inside and outside the classroom.
