THE PRIME RADICALS

In this live-action series, cousins Kevin and Alana help their wacky Uncle Norm with his misadventures using the power of math! The Radicals don't always solve their problems alone though; sometimes they get a helping hand. Everyone from construction workers, firefighters, chefs, and even a kite boarder help them solve their problems using real-world examples!

With fun adventures, cool music, engaging graphics, and tons of laughs, *The Prime Radicals* put the fun back in learning the fundamentals of math!
