THE PARKER ANDERSONS/ AMELIA PARKER

The Parker Andersons and *Amelia Parker* are two inter-connected sitcoms, following the comedic everyday of a diverse, newly blended family. It's one storyworld from two perspectives, and just like real-life, this family learns that their differences end up being exactly what they need to create a happy new life together. Half the episodes are told from the family perspective and half are told from the POV of tween daughter Amelia.
