WHERE'S MY ALPHABET?

Young treasure hunters go on scavenger hunt to discover the alphabet in their very own backyards! In every ep, the adventurers must find 4 items that start with one letter of the alphabet by looking around their homes and connecting with their family. They will engage their parents, their siblings, even other relatives farther away via technology, for them to also showcase an item they have discovered that starts with the letter, until all four words have been discovered. Self-shot by the kids and members of their family, this is content spearheaded by kids for kids, which will inspire viewers with the joys of discovery and learning.
