# MATHXPLOSION

'Mathemagician' Eric shares secrets from the not-so-hidden world of math in this exciting, entertaining math-short series proving math is everywhere!

In each episode Eric encourages viewers to discover their own amazing mathematical abilities. Need to measure the height of a tree without a ladder or measuring tape? Why not use your thumb! These hilariously engaging episodes provide the tools needed to thrill your family and friends with mathematics.

50 x 3' Episodes; Available in English and French

Target Audience: 6-11.

Produced by GAPC Entertainment for TVO Kids.
