

# ESCAPE FROM IRAN: THE HOLLYWOOD OPTION

*Codename: The Hollywood Option* was a secret mission to rescue US hostages held captive at the US embassy in Tehran in 1979. Considered by many as the most dangerous diplomatic operation in Canadian history, it inspired the Oscar® winning film *Argo*. Through direct testimony of the those who found sanctuary at the Canadian embassy, and the Canadians who risked their own safety to shelter their neighbours, *Escape from Iran* tells the story of this startling world affair.
